#### Dear James:

I would like to extend the invitation for the 1996 national convention. Please count on the complete support of the Kansas Gamma chapter of Tau Beta Pi, as well as my personal support as the major faculty advisor. We would like to welcome the 101th convention to the heartland of America. The Kansas Gamma chapter will provide neccesary chapter resources for staffing of the various convention functions. You can count on enthusatic support from our large student base. Tours of our various engineering departments and research labratories will be organized for the convention participant. Also, the chapter will provide a member to serve on the presentation team, as required.

Thank you for your consideration.

Sincerely

Dear Mr. Froula:

On behalf of the College of Engineering at Kansas State University, it is my pleasure to propose that the Kansas Gamma Chapter host the 1996 Tau Beta Pi National Convention.

The Kansas Gamma Chapter has approximately 100 active members and a very active advisory board. Also, the city of Manhattan would be an excellent location to host this meeting. We have a beautiful campus and very good facilities.

Our faculty and students are very eager to participate in this event. We hope you will accept our invitation to host the 1996 Tau Beta Pi National Convention in Manhattan, Kansas. If there is any additional information you would like, please let me know. Thank you for your consideration.

Best personal regards.

Dear Mr. Froula:

I have been informed that the Kansas Gamma Chapter of Tau Beta Pi is forwarding to you a bid to host the 1996 Tau Beta Pi convention here at Kansas State University.

I want to assure you that this proposal has enthusiastic support from my office and the entire administration. My office will assist in securing whatever arrangements are necessary to assure a successful convention.

Kansas State University is proud of the great tradition of our College of Engineering. Its faculty, staff, and students are fully prepared to assume the tasks necessary for sponsoring this convention. The rest of the university will join in this responsibility as well.

Thank you for your consideration of this bid.

Dear Kathy:

On behalf of the city of Manhattan and the Manhattan Chamber of Commerce, we hope that you will consider Manhattan as the site of the 1996 Tau Beta Pi National Convention.

If your schedule allows, we invite you to discover Manhattan. The city has fine motels, restaurants and shopping areas. Only minutes from Manhattan is Tuttle Creek Lake which spans 20 miles and offers fishing, boating and numerous water sports. Also in the Manhattan area is Fort Riley where Custer's House, the First Territorial Capitol of Kansas and roaming buffalo are only a few of the many sightseeing tours which can be arranged.

The Convention & Visitors Bureau provides conference assistance programs including registration aid, welcome speeches and packets, name badges and resource personnel.

We are looking forward to helping you with your conference and are sure that after you survey Manhattan you will agree with us - it is a great place to hold your meeting.

Kansas State University, Manhattan, and the Surrounding area have a multitude of activities to do and sites to see. We, of Kansas Gamma, have developed the following list of activities which we feel the Tau Bates and their guest will enjoy if the National Convention is located in Manhattan in 1996.

- \* Kansas State University's Ward Hall the home of our nuclear engineering program and a small scale reactor
- \* Kansas State University's Linear Accelerator scholars from around the world some to use this facility for research
- \* Kansas State University's Call Hall The Best Ice Cream Around made fresh daily
- \* American Institute of Baking one of the premier institutes of baking in the United States
- \* Abilene this Kansas town has a lot to offer and is only a few short miles away

  Opportunities that Abilene has to offer include:
  - The Eisenhower Memorial Museum
    - The Greyhound Hall of Fame
    - Old Abilene Town
    - An Antique Doll Museum
    - The Seelye Mansion
    - The Kirby House Restaurant and Mansion
    - Museum of Independent Telephony
- \* Topeka not only is Topeka the capital of Kansas but it too has a lot to offer
  - Kansas Museum of Natural History
  - Combat Air Museum
